VOLUNTEER APPRECIATION

Volunteer Appreciation Week is being honored in the province from April 23rd-29th. The provincial theme for this year is "Volunteering shapes lives." This is the perfect opportunity to thank those who give so much of their precious time to the betterment of our town and our region. If you see members of our Reidville Volunteer Fire Department, Council, Clinic Board committee or EDC committee, please take a moment to say "thanks". It seems in these busy time, we are all so quick to say "you made a mistake" but we rarely stop to say "good job"...thank you! Those simple words make volunteering worthwhile.

The town of Reidville is quite proud of the tremendous amount of volunteer support in our town.

Note: Due to time restraints and lack of attendance due to work commitments, vacations etc. the town will not be holding a dinner this year.... This in no way reflects how much we appreciate each and every volunteer.

JOKE

Four expectant fathers were in the hospital waiting room while their wives were in labor. The nurse arrived and announced to the first man, "Congratulations, you're the father of twins." "Wow!" the man said. "I work for the Minnesota Twins baseball team."

A little while later, the nurse returned and told the second man, "You sir, are the father of triplets."

"Amazing! That's really a coincidence," he said. "I work for the 3M Corporation."

An hour later, the nurse came back and announced to the third man that his wife had given birth to quadruplets.

Stunned, he could barely speak. "I don't believe it. I work for the Four Seasons Hotel."

The fourth guy, who had looked more and more unhappy with each development, fainted. When finally revived, he shook his head and was heard to whisper.... "I should have never taken that job at 7-Eleven..."
