The town is in the middle of designing a web page advertising our town and what we have to offer. If there is any person who

would like land that is for sale listed on line, please contact the council office at your convenience. With regards to businesses, it would be great if all businesses in our town were listed on the web page. Just some of the information that would be required if you are interested:

We could just have it mentioned on the home page or we can have a link to your own web site. Please contact us with any information about your business.
