FARMERS NEED ASSISTANCE

Reidville is a small knit family sharing everyday life with our farmers. The beautiful farmers fields we see outlining our towns have a bigger purpose than beauty - they are the livelihood of our farmers, however due to four-wheelers, bikes and trikes, this livelihood is being endangered. It is impossible for all farmers to fence in their many hundreds of acres of fields - whether it is hay fields, sod farms or crops. These fields hold a wealth of investment for our farmers. Owners of off-terrain vehicles or parents of youth driving these vehicles are asked to use consideration when traveling the fields of Reidville. Your bikes/4-wheelers maybe fun for you to use, but on our fields, they are extremely destructive. **Please stay off the fields.**

STUDENT SUMMER EMPLOYMENT

The date is set! Interviews will take place on Tuesday June 19 starting at 7:00 pm. Any student between the ages of 15 - 30 who will be returning to school in the fall are asked to drop off a resume at the Town office by Monday June 18th. Those selected for an interview will be contacted.

ADOPT AN AREA

Council is looking for residents who are interested to adopting an area of Town that they would be willing to maintain. If this is something you are interested please contact the council office.

HYDRANT FLUSHING

The Reidville Volunteer Fire Department will be **flushing the town's fire hydrants** beginning at 9 am on **Sunday, June 24th**. Residents are asked to please note this date on their calendar and to be sure and use caution if you happen to be washing laundry on this date.

FRIENDLY REMINDER TO HORSE OWNERS

Any rider on a horse is asked to be very conscious of horse droppings on the town’s roadways. If you are traveling on the many hay fields in our town, this is not such a concern - however while riding on any streets in our town, council would appreciate it if you cleaned up behind your animal. These beautiful creatures are a pleasure to look at and Reidville is the home of many - however their droppings can be both a nuisance and a safety hazzard as walkers are forced to walk around it as they travel the town’s roadways. Please keep our town, clean, green and happy.

Council meets the 2nd Monday of every month. LAND BEAUTIFICATION

It’s the time of year for mowing lawns and keeping your property nice. Council is asking residents, when mowing your lawn, if you wouldn’t mind going the extra distance to mow the ditch area as well as keeping free of debris. Close attention to your garbage box it important as well, that is the first thing people see when they enter your property.

“...that any vehicle, not licensable, that does not have four tires and has major external body parts (e.g. fenders, doors) missing shall be considered a wreck and therefore has to be either removed or tarped immediately. Those individuals not complying with the town’s by-law will have their wreck vehicle removed at the expense of the owner.”

TAX COLLECTION

As of June 7, 2007, the town’s collection rate for 2007 stands at 76.95%. Compared with the same time last year, the town’s collection rate is down from 76.97%.

Council would like to sincerely thank residents who have

been diligent with the payment of their account and would like to remind everyone that June 30th is the due date for 2007 taxes. After that time interest will be charged to those accounts not paid in full.

To those residents in arrears and not honoring agreements, please note that further action is being taken!
