If you are able to help out please join the Committee at the Trail's Parking Lot off the Reidville Main Road by 9:00am. From there we will be going to the Tramway Site to erect our new sign and create several bases to display the artifacts we have located. In addition, we will attempt to beautify the area and lay stone where needed. Please bring along a rake or shovel or hammer if you have it, or just show up with your support. All are welcome. A light lunch will be provided and if you would like to help in this capacity then any donation will be appreciated. Thanks in advance, see you on Saturday.
