IN MEMORIAL

At this time we would like to remember our former Mayor, Willis (June) Elms, who was

suddenly taken from us one year ago today - July 11th, 2006. We wish to extend our heartfelt prayers to his family.

SPECIAL THANK YOU

A big Thank-you goes out to Gerry Dobbin who donated a beautiful home made gun belt. This item made more than \$1000.00 which went toward the Fireman's Truck Fund. The Gun Belt was drawn for at the Firemen's Breakfast on June 16, 2007. The lucky winner was Sandy Caines!

ELECTRONIC BANKING

Council is happy to announce that this new service is now available through the Bank of Montreal, Scotiabank and Credit Union. This will allow residents and businesses in the area to pay on their accounts via telephone and/or internet banking. If you have any questions as to the set up please give the office a call.

SUMMER STUDENT EMPLOYMENT PROGRAM

Council is pleased to announce that the summer student employment program is underway. Hired this summer are:

Cody McKay Jeremy Curlew

Congratulations students and keep up the good work.

BINGO

TICKET DRAW: Thank-you goes out to Goldie Layden who donated a Basket in aid of the Fire Department's New Truck Fund. Ticket sold on this basket raised \$101.00 for the truck fund.

COMMUNITY YARD SALE

With the rainy weather, our yard sale had to be postponed. Get together all your stuff and get ready, July 14 is set for the big day, RAIN OR SHINE. If you would like your address put on the map for the yard sale please call the town office.

FARMERS NEED ASSISTANCE

Reidville is a small knit family sharing everyday life with our farmers. The beautiful farmers fields we see outlining our towns have a bigger purpose than beauty - they are the livelihood of our farmers, however due to four-wheelers, bikes and trikes, this livelihood is being endangered. It is impossible for all farmers to fence in their many

hundreds of acres of fields - whether it is hay fields, sod farms or crops. These fields hold a wealth of investment for our farmers. Owners of off-terrain vehicles or parents of youth driving these vehicles are asked to use consideration when traveling the fields of Reidville. Your bikes/4-wheelers maybe fun for you to use, but on our fields, they are extremely destructive. **Please stay off the fields.**

THANK-YOU

Council would like to extend a sincere thank-you to the Reidville Recreation Committee for purchasing 2 new stoves for the Community Hall. This serves to be a great asset to the Community Hall as well as to the Fireman for their fundraiser breakfast.

ADOPT AN AREA

Council is looking for residents who are interested to adopting an area of Town that they would be willing to maintain. If this is something you are interested please contact the council office.

HYDRANT FLUSHING

Due to unforeseen circumstances the flushing of the fire hydrants was unable to take place on June 24th, 2007. This will however be done in the near future. Once a date is set notices will be posted. So please keep watch.

SUMMER RECREATION PROGRAM FOR YOUTH

The regularly summer recreation program for youth aged from about five years until Grade 6 is scheduled to be held this year from Friday, July 13th until Friday, August 3th from 1-3 pm daily at the Reidville Community Hall. This program promotes physical activity, social interaction and a safe environment for children to play. The cost of the program is just \$0.25 per day to help cover the cost of the end of year party on August 3th. Registration forms can be picked up at the office prior, or you may wait until Friday to register your child. For more information, please contact the

council office from 9 am to 3 pm daily. .

FRIENDLY REMINDER TO HORSE OWNERS

Any rider on a horse is asked to be very conscious of horse droppings on the town's roadways. If you are traveling on the many hay fields in our town, this is not

such a concern - however while riding on any streets in our town, council would appreciate it if you cleaned up behind your animal. These beautiful creatures are a pleasure to look at and Reidville is the home of many - however their droppings can be both a nuisance and a safety hazzard as walkers are forced to walk around it as they travel the town's roadways. Please keep our town, clean, green and happy.

PERMITS

If you are intending to do ANY construction, council would like to remind residents that building applications MUST be filled out and returned to the office for council approval. Council meets the 2nd Monday of every month. Due to the excessive amount of residents constructing without approval or permit, any resident that continues to construct without a permit or has been ordered to stop work council will proceed with the dismantling of the construction.

DUMPING

It has been brought to councils attention that there is garbage and animal carcasses being dumped off in the area past Cache Rapid Stables. This is illegal and council is asking that should anyone witness this please report it to the council office.

LAND BEAUTIFICATION

It's the time of year for mowing lawns and keeping your property nice. Council is asking residents, when mowing your lawn, if you wouldn't mind going the extra distance to mow the ditch area as well as keeping free of debris. Close

attention to your garbage box it important as well, that is the first thing people see when they enter your property.

WRECKED VEHICLES

Wishing to remove wrecks from your property. There are a number of businesses in Deer Lake who supply this service. Please contact either at your convenience. NOTE: The town's regulations are printed below for your convenience. Please ensure that any vehicles you have on your property complies with the town's regulations.
"....that any vehicle, not licensable, that does not have four tires and has major external body parts (e.g. fenders, doors) missing shall be considered a wreck and therefore has to be either removed or tarped immediately. Those individuals not complying with the town's by-law will have their wreck vehicle removed at the expense of the owner."

PRAYERS

We would like to send prayers out to Captain Terry and Bonnie Hopkins at this difficult time.

TAX COLLECTION

As of July 5, 2007, the town's collection rate for 2007 stands at 79.75%. Compared with the same time last year, the town's collection rate is down from 80.71%.

Council would like to sincerely thank residents who have

been diligent with the payment of their account and would like to remind everyone that June 30th was the due date for 2007 taxes. Please note that interest is now being charged to those accounts not paid in full.

To those residents in arrears and not honoring agreements, please note that further action is being taken!
