Council would like to inform residents that there has been a coyote sighting in the Rocky Brook Road area.

REMOVAL OF SIGNS

Council would like to remind residents that it is very important to remove signs that are placed on the poles throughout the town. These signs become very unsightly and fall from the poles to leave litter in the ditches. If this continues to be a problem council will have no choice but to remove these signs as soon as they are put up. Thank you for your consideration in this matter.

TAX COLLECTION

As of Friday July 11, 2008 the town's collection rate for the current year (2008) stands at 81.82%. Compared with the same time last year, the town's collection rate is up from 79.60%.

Council would like to sincerely thank residents who have been diligent with the payment of their account.

To those residents in arrears and not honoring agreements, please note that plans are underway to proceed with further action. The town is in the process of auctioning off arrears accounts again to ensure that collections remain up to date. Also water disconnection notices will be delivered in the coming weeks.

RECYCLABLES

The Reidville Volunteer Fire Department along with the Reidville Recreation Committee will be "sharing" all recycling proceeds from the town in coming months. The purpose of the Fire Department's involvement is for all funds to go toward the "New Truck Fund". The Recreations portion will go toward the upkeep of the Community Hall and the Playground. If you have recycling you would like to contribute, you can either place it beside your garbage box on garbage day, drop it off in the recycling box by the community hall or bring it to the depot in Deer Lake and tell the staff it is for the "Reidville Volunteer Fire Dept". Thank you for your support.

NOTE: Before you place your recyclables out for collection, please ensure that all caps are removed. Please do not crush cans but you may crush plastic bottles and juice containers. The Recycling Depot will **NOT** take any item that has a stopper on it or any can that has been crushed. They do not accept milk containers or laundry detergent bottles but they will accept milkshake containers. Thank you.
