### TIDY TOWNS AND PRIDE IN OUR TOWN

Council would like to take this opportunity to thank residents for their assistance in making our town look so presentable during the recent Tidy Towns Judges visit. The town looked absolutely great and one of the judges commented that it was the cleanest town she had been in a long time!

**Debris:** With that in mind, it is notices that some individuals have started again to throw debris out of their vehicles as they proceed through the town. Please keep in mind that this practice is illegal and a fine can be issued. If any individual witnesses an act of this nature, please take down the licence plate number and report it to the police. Also in this area, if any individual is using plastic to help their crops grow, please ensure that this plastic is picked up once it has served its purpose to ensure that it does not end up in our streams. Thank you.

**Properties:** We have had a number of tourists visit our town this summer and some have been spotted having lunch at Sandy's Lookout. This is a big compliment to our town however some of

the tourists have noted that we have some homes that do not take the same pride in ensuring that their property looks presentable from the road. Please help us keep our town clean and green. We all have to do our part to maintain a healthy, clean environment to raise our families in and grow old in. Reidville now has a name of a town that has increased their community pride and spirit - it is all our job to keep this great reputation.

For the information of Residents. The following towns are those competing in our population category of 451-575 residents:

Cow Head	Leading Tickle
Seldom-Little Seldom	Reidville
Heart's Content	Bay de Verde
North West River	

### WATER INTERRUPTIONS ... FIRE HYDRANT INSTALLATION

Council would like to thank residents for their continued patience during the installation of the new fire hydrants in the town. The next fire hydrant installation is scheduled for Thursday and Friday, September 7<sup>th</sup> and 8<sup>th</sup>. Unless there is a

scheduling conflict with our backhoe operator, the hydrants will be installed at the intersection of Rocky Brook Road and Reidville Road.

**NOTE:** *Due to the location of this hydrant, water services will be interrupted periodically for residents from Rocky Brook and East. Also at this time, the town's boil order will also include the residents from Rocky Brook and East.*

Please mark these dates on your calendar. It is virtually impossible to contact each resident individually - **PLEASE MARK YOUR CALENDAR** so you will be aware why you will be without water for a number of hours on either of these two dates. Council will try and limit your inconvenience as much as possible. Your continued patience is appreciated.

**NOTE:** While new hydrants are being installed council would appreciate it if residents stayed back from the construction site. Any site under construction is considered a safety hazard. Your patience and understanding here would be greatly appreciated.

**TAX COLLECTION**

As of 2006 the town's collection  
rate for 2006 stands at 88.91%.  
Compared with the same time last  
year, the town's collection rate is  
up from 87.32% - that a 1.65%  
increase!

Council would like to sincerely  
thank residents who have been diligent with the  
payment of their account.

**Tax Collection is the lifeblood of our town.  
Further action is being taken on all arrears  
accounts. Please check your records to verify  
that your account is up to date. Thank you.**
