

### **PRIZE BINGO**

The Reidville Recreation Committee Inc. along with the Reidville Volunteer Fire Department will be holding a prize bingo on Tuesday, October 19, 2004. All are welcome to attend.

Doors will open at 7 p.m.

### **SANDY'S LOOKOUT**

There has been a delay...as you are all aware, we were hoping to have Sandy's Lookout (at about 162 Reidville Road) completed this summer. There was a problem getting the logs and the quality of the logs. What council is contemplating doing now is waiting until next year and maybe buying all pressure treated lumber - therefore increasing the strength and endurance of the project...what do you think? Council is looking to you for input.

Should we wait until next spring? Should we use pressure treated lumber at a cost of about \$1700.00? How should we get the funds to pay for the project?

Please either drop your comments off at the council office or speak with a councillor.

### **DEBRIS FOUND**

Debris has been found over the embankment across the road from Community Square and Reidville Road (beside 144 Reidville Road). Council would like to remind residents that Wednesday's are garbage days and to please leave their refuse for these days to ensure that it gets disposed of properly.

### **FOOD BANK...FOOD DRIVE**

It is almost that time again. Please keep an eye out for the annual Food Bank Food Drive which will take place a little later this fall.

### **UNUSUAL COMPLAINT**

On September 20<sup>th</sup> students who wait in the bus shelter located beside Forest Road found something disturbing...a youth had used the washroom in the bus shelter even removing their long johns

to clean themselves after (and left them behind as well).

This type of behaviour is not acceptable. Any further complaints of this nature will have to lead to an investigation on who the culprit is. For the information of parents: the long johns were male probably from a young boy.

### **BUS SHELTER**

The bus shelter across from Circular Road (next to Crystal and Fabian Carroll) is not being used. If any resident can think of a better spot to locate this bus shelter, please contact the council office and it will be tabled at the next meeting of council. NOTE: The location would have to be well off of the road so as to not interfere with snow clearing or sight distance requirements as stipulated by the Department of Works Services and Transportation.

### **DID YOU KNOW...**

The town of Reidville paid \$18,884.00 to the Department of Works Services and Transportation for snow clearing services on our side roads for 2003-

2004. This does not include what it cost for clearing the council office parking lot, the fire hall or the community hall.

### **RELAY FOR LIFE**

Two teams from the Deer Lake area (with representation from Reidville) took place in the second annual "Relay for Life" in aid of Cancer Research on Friday, September 10<sup>th</sup>. Members from Reidville on these teams included:

Helen Reid  
Kimberly Reid  
Mary Reid  
Hilda Rumbolt  
Brenda Bridger

The two teams managed to raise well over \$4500.00 between them. Some of the team members from Reidville went door to door collecting recyclables and beer bottles totaling over \$200.00.

All members would like to thank those who took the time to purchase a luminary, sponsor them or make a donation. A special thank you also goes out to those Cancer survivors from Reidville who took the time to take part in the victory lap at the Relay.

**GARBAGE COLLECTION**

As all residents are aware, Wednesday's are garbage days. Please ensure that your garbage bag is tied up when placed on the curb or in your garbage box and please do not use small white shopping bags for your trash. Thank you.

**...A SPECIAL THANK YOU**

The family of the late Effie Elms wish to extend their heartfelt thanks and

appreciation to each and everyone who brought comfort and support to the family in their time of need. Your acts of kindness will always be remembered. An extra special thank you is also extended to both Lizzie Hiscock and Louise Pittman - thank you can only begin to show our appreciation! ...The Elms and Reid families.

**YOUTH ACCOMPLISHMENTS**

**Softball:** Congratulations are extended to Jeremy Curlew and Morgan Reid who attended the Newfoundland and Labrador Summer Games in Marystown during August month. Both were chosen as members of the Western Regional Softball Team.

*...if you have something interesting about any youth from Reidville, please contact the council office so we can share the good news.*

**RECYCLING**

Council and the youth of our town would like to sincerely thank all those who aid the youth softball program by donating their recycling throughout the

year. One note, the recycling depot has asked that all recyclables have the stoppers removed. Also milk containers are not recyclable.

This year, the recycling program brought almost \$300.00 to the softball program paying for their medals at the awards banquet and also paying for pizza and cake. Thank you everyone for your contribution.

**SKATING**

Family skating in cooperation with the Reidville Volunteer Fire Department will begin on Sunday, October 10<sup>th</sup> from 7-8 pm. All are welcome to attend. For more information, please contact any member of the Volunteer Fire Department.

**TAX COLLECTION**

As of Tuesday, September 28<sup>th</sup>, the tax collection rate for the town for this tax collection year stands at 87.57% - this is about the same as last year however the town is still owed : \$35,564.19 for 2004 and prior. TAXES HAVE TO BE COLLECTED in order for the town to

operate smoothly.

To those residents who have been diligent with their account...council would like to sincerely thank you. To those in arrears, **water cut off notices will soon be delivered** and further action will be taking place on other accounts with the next week.

Please check your records to ensure your account is up to date.
