Council has been in contact with Credit Union and have been advised that the electronic service will not be available until December. However, they have set up the service so that you are able to go to the Credit Union and make payment through the bank. Council apologizes for this inconvenience. At this time it is available through the Bank of Nova Scotia and the Bank of Montreal. We have residents that are using this service and it is proving to be very successful. If you have any questions regarding this service, please contact the office.

**VANDALISM**

Over the past several weeks there have been numerous reports to the council office regarding vandalism in the town (signs tore down, residents personal property destroyed and the community hall break in). The most recent is the destruction done to farm equipment on the sod fields. It was reported that windows were broken and lights beat out on tractors. This act has been reported to the RCMP, however if any residents has any information on this incident or any of the other acts of vandalism council is asking that you report your information to the council office or contact the RCMP.

Council is kindly asking all residents to be diligent and aware of things going on around them. You may think it's only minor but it could lead to something major. It's your town, lets all help keep it safe and free from such acts.....

**FRIENDLY REMINDER TO HORSE OWNERS**

Any rider on a horse is asked to be very conscious of horse droppings on the town's roadways. If you are traveling on the many hay fields in our town, this is not such a concern - however while riding on any streets in our town, council would appreciate it if you cleaned up behind your animal. These beautiful creatures are a pleasure to look at and Reidville is the home of many - however their droppings can be both a nuisance and a safety hazard as walkers are forced to walk around it as they travel the town's roadways. Please keep our town, clean, green and happy.

**PERMITS**

If you are intending to do ANY construction, council would like to remind residents that building applications **MUST** be filled out and returned to the office for council approval. Council meets the 2<sup>nd</sup> Monday of every month.

**LOST & FOUND**

On September 17, 2007 a resident lost their cell phone within the town - possible by the mailbox at Rocky Brook Road. If anyone finds this phone they are asked to kindly drop it off at the council office. Thank-you

**TOWN INSPECTION**

Due to the increased amount of unsightly wrecked vehicles and metal debris around properties and the lack of cooperation in getting these items removed, during the week of September 17 thru to September 24 members of council will be viewing areas throughout town.

Residents will be notified with a time line to have these items removed.

Council would like to thank all residents in advance for their cooperation.

**DEER LAKE LIONS CLUB LOOKING FOR ASSISTANCE**

The local Deer Lake Lions Club are currently collecting used glasses for distribution to needy families in both our country and abroad. If you have any glasses in your home that you have just put back, please either drop them off to the council office or contact any member of the Deer Lake Lions Club. Please pay special attention if you have children's glasses that are no longer needed. These items are in special, special need.

**TAX COLLECTION**

As of September , 2007, the town's collection rate for 2007 stands at 98.25%. Compared with the same time last year, the town's collection rate is down from 98.43%.

Council would like to sincerely

thank residents who have been diligent with the payment of their account and would like to remind everyone that June 30<sup>th</sup> was the due date for 2007 taxes. Please note that interest is now being charged to those accounts not paid in full.

**To those residents in arrears and not honoring agreements, please note that further action is being taken!**

**DITCHING**

Council would like to advise the residents on Rocky Brook Road that over the next couple of weeks ditching will take place on a section of the road. With heavy equipment in the area council is asking residents of that area to be cautious. This construction once it begins should take up to 1 week.

Council apologizes for any inconvenience this may cause.

**RECYCLING**

The Reidville Volunteer Fire Department along with the Reidville Recreation Committee will be "sharing" all recycling proceeds from the town in coming months. The purpose of the Fire Department's involvement is for all funds to go towards the "New Truck Fund". If you have recycling you would like to contribute, you can either place it beside your garbage box on garbage day or drop it off to the Depot in Deer Lake and tell the staff it is for the "Reidville Volunteer Fire Dept". Thank you for your support.

**NOTE:** Before you place your recyclables out for collection, please ensure that **all caps are removed**. The Recycling Depot will **NOT** take any item that has a stopper on it. Thank you.
