THANK YOU

The family of the late Louie MacDonald would like to express a sincere thank-you to all who called, visited, sent cards, food, flowers or donations. Thank-you to all who attended and donated to the fund raising events. To know that so many people were there for us during Louie's illness and passing was overwhelming. Your kindness and thoughtfulness will always be remembered.

HUMBER VALLEY AGRICULTURAL, HOME AND HANDICRAFT EXHIBITION

The 44th Anniversary of the annual Humber Valley Agricultural, Home and Handicraft Exhibition will take place Friday, September 14th and Saturday, September 15th, 2012 at the Hodder Memorial Recreation Complex. The opening ceremonies will commence at 7:00 p.m. on Friday.

BACK TO SCHOOL!

It is back to school time and safety has to be the top item on the timetable. There have been some complaints of speeding while youth are waiting for the bus and the police have been notified. Drivers are asked to be extra cautious however parents are asked to remind their children (including their teens) to please stand on the side of the road off the pavement while waiting for the school bus.

HEALTH TIPS

One of the best cures for dry skin is extra virgin olive oil. Just add a few teaspoons of it to a bath or buy soap that already contains extra virgin olive oil. It is a quick, easy solution to a very common problem.

Lowering your high LDL cholesterol does not have to be a daunting task. Add 3 grams of a glucomannan supplement to your daily diet to help bring down your numbers over 20%.

If you're looking for a way to stop the carbs you're eating from turning into fat, try this small diet change: Eat most of your carbs early in the day and reduce them as the day goes on. Try to end your day with more protein. This will better your chance of burning off carbs during your day so they don't transform into fat.

To keep mood swings from taking over your life, try using holy basil to keep you calm. It is an all natural supplement that is really effective in treating anxiety, and can be found in capsules at most vitamin stores.

If you love pasta but are afraid it might make you gain weight, learn how to enjoy it without feeling guilty! The secret is in the serving size. The amount of pasta on your plate should be no larger than an "a-ok" sign made with your hand. To make the sign, simply touch your index finger to your thumb to make a circle and keep your remaining three fingers pointing upwards.

If you suffer from psoriasis, try using an ultraviolet light treatment. Once only found in doctor's offices, this treatment is now available in the comfort of your own home.

Choose one meal each day that you completely rid your plate of animal products – including eggs and dairy. Meat is a very concentrated source of calories and fat -- so cutting out animal products for just one meal per day can help reduce your fat intake.

TAX COLLECTION

As of September 10, the town's collection rate for 2012 stands at 99.70%. Compared with the same time last year, the town's collection rate is the same at 99.70%

Council would like to sincerely thank residents who have been diligent with the payment of their account. If you are in the percentage that does not have all of your account paid in full - warnings have been issued and will be carried out on the date listed.

NOTE: All seniors (65 years of age or older - or turning 65 any time during 2012) are eligible for an additional 5% discount.

WATER REGULATIONS

As of May 1, 2012, the water connection fee is \$250.00. Note: the connection fees cover the cost of providing services to your property boundary or a maximum of 25 feet which ever is less. Any and all additional cost must be born by the customer. Some of these additional costs may include any extension of waterlines (which must comply with the towns regulations). Cutting and replacing of pavement, excavating, pipe, labour and any other costs that may occur during a waterline hookup.

DOG OWNER

We are having a lot of complaints about dogs barking at night. We ask that you please keep them inside after 11 p.m. There are also dogs and cats getting into residents' small gardens, please respect your neighbors...gardens can be timely and costly.

Due to the number of complaints Council has made a motion to send out letters concerning dogs and cats roaming at large, if your dog or cat is seen roaming you will get a warning letter and if your dog or cat still continues to roam a second letter will be issued and you will be fined.

BIGGEST LOSER

Due to the huge success of the "Biggest Loser Weight Group", there will be another 12 week challenge starting on September 13, 2012, at the community hall. If you have any questions or would like to put your name in for the next weight challenge contact Terri Lynn Curlew via facebook or Karen Bradley at 635-3146.

THANKSGIVING POEM

May your stuffing be tasty
May your turkey plump,
May your potatoes and gravy
Have nary a lump.
May your yams be delicious
And your pies take the prize,
And may your Thanksgiving dinner
Stay off your thighs!

HUNTERS

Due to the number of sightings of wild animals around the area, council would like to ask hunters to be sure they take away the carcasses and bones from any animal. In recent years the carcasses and bones have been dumped close to the community and this in turn draws other animals closer. _

HALL BOOKINGS

For future Community Hall bookings, please the town office at 635-5232 or email at townofreidville@nf.aibn.com

COUNCIL MEETING

The regularly scheduled meeting for council set for October 8, 2012 has been rescheduled for October 15, 2012 due to the Thanksgiving Holiday. Sorry for any inconvenience this may cause.

PERMITS

If you are intending to do ANY construction, council would like to remind residents that building applications MUST be filled out and returned to the office for council approval. Council meets the 2nd Monday of every month. If you start construction without a permit a stop work order will be issued.

JOKES

A policeman brought four boys before a judge.
"They were causing an awful lot of commotion at the zoo, your Honor," he said.
"Boys," said the judge sternly, "I never like to hear reports of juvenile delinquency.
Now I want each of you to tell me your name and what you were doing wrong."
"My name is George," said the first boy, "and I threw peanuts into the elephant pen."
"My name is Pete," said the second boy, "and I threw peanuts into the elephant pen."
"My name is Mike," said the third boy, "and I threw peanuts into the elephant pen."
"My name is Peanuts," said the fourth boy.

Bubba and Johnny Ray, two good ole boys from North Carolina, were sitting' on the front porch drinking beer when a large truck hauling rolls and rolls of sod went by.
"I'm gonna do that when I win the lottery," said Bubba.
"Do what?" asked Johnny Ray.
"Send my grass out to be mowed," answered Bubba.
