CITIZENSHIP WEEK

October 15 - 21 is Citizenship Week. This year we celebrate the 60th anniversary of Canadian citizenship. Did you know that prior to 1947 people living in this country were considered British subjects? The passage of the Citizenship Act showed that Canada was now it's own country, and ready to become a key player on the world stage. This year, we will reflect on how far Canada has come in these past 60 years—and what Canadian Citizenship means to us.
