There is still a smaller discount available for February. If your current year taxes are paid in full by February 28th you are entitled to a 3% discount. Any resident who turns 65 years of age in 2019 will be eligible for an additional 5% senior's discount. You may be exempt from Poll Tax if your previous year's income is below the basic personal exemption for the previous year. The amount for 2018 was \$11,809. You must have a copy of last year's tax return notice of assessment to qualify.

**STREETLIGHTS**

There have been a number of streetlights out in the area and we are asking that residents report it to Newfoundland Power by logging into the website [www.newfoundlandpower.com](http://www.newfoundlandpower.com) and click on the link "Report a Streetlight Out". If this is not an option please call the town office. Thank you!

**BIRTH ANNOUNCEMENT**

Congratulations on your bundle of joy!

**The town welcomes!!**  
**Nate Justin Mark Caravan**  
**Born on January 10, 2019**  
**Weighing 6 lbs-8 oz!!**

Nate is the son of proud parents Jennifer and Justin Caravan and brother to big brother Ryan!!!!

**LOG-A-LOAD**

The 14th Annual Log-A-Load Hockey Tournament was held in Clarenville last weekend raising a record-breaking \$63,000 + for the Janeway Children's Hospital Foundation!!

Northwest Forest Resources was the top fundraising team again this year.....raising over \$24,000. We had five hometown boys on this team: Bruce Curlew, Ira Rideout, Craig Reid, Chad Reid and Malcolm Oxford! Congratulations.....you make us super proud!

THANK YOU to the organizing committee and the players who gave their time, and of course to all the supporters who donated!

**GARBAGE BOXES**

Please be sure that you have your garbage box and a path (if required to get to the box) cleared of snow on garbage day. If it is not cleared your garbage will not be taken. It is too time consuming and difficult to be cleaning off the top of garbage boxes or trying to get through deep snow to collect garbage.

**Please Note:** If you have recyclables for the Fire Department for the Green Depot please drop to the town office as opposed to the recycling box next to the community center. Thanks!

**National Housing Strategy (NHS)**

"Through the NHS, the federal government is bringing together the public, private and non-profit sectors to re-engage in affordable housing. Using a mix of funding, grants and loans, the strategy will create affordable, stable and livable communities. These communities will be located near amenities and transportation – and have the opportunities needed to succeed." VALENTINES JOKE

Aidan, a young man, was looking for a greeting card just before February 14th. He searching unhurriedly for just the right card and he found one that impressed him greatly. It read, 'To my one true love, the most beautiful woman in all the world.'

'This is truly heartfelt,' Aidan commented to the shopkeeper. 'It is the message that any woman would love to receive. ... I'll take five.'

HEALTH TIP

**Rather than tempting your sweetie with sweets,** consider a gift that has more permanence. Find a poem that describes your feelings and write it on beautiful paper for a handmade valentine.

**Craving something sweet?** Gift a beautiful fresh fruit basket to your loved one instead of giving sweets with [added sugars](#).

**Sharing is caring** – if you go out for [a romantic dinner date](#), order one entrée to share. Many restaurant servings are enough for two – splitting will keep you from overdoing it.

**Take it slow** – if you receive an indulgent box of chocolates from your sweetie, stick it in the freezer and enjoy in moderation over the next several weeks.

**Take a long, romantic walk with your beloved** – and try to make it a regular habit. Aim for at least 150 minutes of moderately intense physical activity each week to stay healthy. You can reach this goal by walking briskly for at least 30 minutes five days each week.
