WALKERS

The evening are getting longer and the weather is warming up so people are out and about. Council is asking residents to be extra careful when walking, stay to the side of the road and wear reflective or light clothing. Drivers be more vigilant while traveling the road.

JOKE

On St Patrick's day late at night, Paddy was in no shape to drive, so he sensibly left his van in the car park and walked home. As he was wobbling along, he was stopped by a policeman. 'What are you doing out here at four o'clock in the morning?' asked the police officer. 'I'm on my way to a lecture,' answered Paddy.' And who on earth, in their right mind, is going to give a lecture at this time of the night?' enquired the constable sarcastically.

'My wife,' slurred Paddy grimly.
