# Town of Reidville Monthly Newsletter

March 2024

## MULTIPURPOSE FIELD

It has been decided that the ball field behind the town office at 2 Community Square will temporarily be deemed a multi-purpose field. This will allow for sports, community events and a dog park. Residents will be able to let their dogs in the field to run as long as they clean up after them unless there is another event being held (dogs will not be permitted on the field off leash during any town event/sports). There will be a garbage can/doggy bag dispenser installed in the spring and we will assess after a couple of months to ensure users are cleaning up after their pets and that there has not been any conflict during events.

## ANIMAL CONTROL

**Please keep your dogs tethered or penned as per our Animal Control Regulations.** If you are out walking your dog please ensure to have them on a leash and take your bags to clean up after them.

**Please be respectful of your neighbors! Any resident can call the RCMP if any problems arise....under the new Provincial Animal Control Act people can be fined or animals taken away!**
