Town of Reidville Monthly Newsletter

JULY 2019

Job Creation Partnership Employment Opportunity

The town of Reidville is currently seeking two additional individuals to work on a 17 week Job Creation Partnership Project. This project will consist of building a piece on and renovating the existing shed/kennels as well as maintenance of town facilities/properties. Please note: there may be some work hours during evenings, weekends and holidays.

The Job Creation Partnership program shall only be used to assist eligible individuals who:

1. Are a resident of the province;
2. Are Canadian citizens or permanent residents legally entitled to work in Canada

3. Meet the definition of EI-eligible;

- a. An active EI claimant; or,
- b. Had a benefit period that ended within the previous 60 months

This is a Service Canada top-up program. This job will start as soon as we have enough participants. If you have any other questions please call the town office at 635-5232. Please drop your resume off at the office, fax it to 635-4498 or email it to townofreidville@nf.aibn.com as soon as possible.

Horse Droppings

Council requests that all owners of horses pay extra care and attention when riding their beautiful animals. We have had numerous complaints from residents concerning horse droppings in the middle of the road and on the sides of the roads. This has continued to get worse over the last month so we will be working with necessary government departments to come up with a solution. Please clean up behind your animal to ensure our town remains a pleasant place to stroll. Thank you to the horse owners who have already been diligent in this matter.

Animal Control

There have been some concerns brought to the office concerning dogs. These dogs are roaming, barking, nipping at children and chasing residents (some of whom have a fear). This is not acceptable. According to the town's bylaws a dog or a cat has to be on a leash or tethered at all times. Please be considerate of your neighbors. The animal control officer will be making more frequent runs through the town and if your animal is seen but cannot be caught you will be given one written warning and then a fine will be issued.

STUDENTS

Council and the 50+ Club are pleased to announce that the summer student employment program is well underway. Hired this summer are: Rikki Burden, Desiree Major, Nick Anstey, Obediah Major, Gabe Caines, Austin Brake and Dillon Kelly. Congratulation's students and keep up the good work!

TRAIL SYSTEM

It has been noticed that there are a couple areas along the trail system that have Hog Weed. We are looking at a solution but would ask that users stay away from this weed as it is not safe.

Hog weed is a huge, toxic plant that can burn skin and cause permanent blindness . It has previously been spotted in Newfoundland, New Brunswick, Quebec, south-western Ontario, Alberta and British Columbia.

CANADA DAY

The Town of Reidville would like to say a huge Thank You to everyone who attended the Canada Day Celebration on July 1st! Also a big thank you to everyone who helped out in any way, especially the members of council for BBQing, the 50 + members for the bingo and the student employees who ran the games really well...without you it would never be possible! Special thank you to Foodland and Pizza Delight for the donations! The 50+ Club would also like to say a big Thanks to Home Hardware, Nalico and Wing 'n It for donations for the Bingo!!!!

SUMMER RECREATION PROGRAM

The regular summer recreation program for youth is scheduled to be held this year from Monday, July 22nd until Friday, August 2nd from 1:00-3:00 pm, Monday to Friday daily at the Reidville Community Hall.

This program promotes physical activity, social interaction and a safe environment for children to play. There are a lot of fun activities planned for this year so make sure you don't miss out on all the excitement.

We will have a weekly calendar of events that will be posted on the town of Reidville facebook page and there will be copies available at the town office by the end of next week.

AWARENESS

The town is asking residents to use caution when passing the student employees as they are working on the sides of the road. They will have signs up and be wearing their protective gear but we are asking that you slow down for everyone's safety.

GREETINGS

The town of Reidville Council and Staff would like to send out Birthday and Anniversary greetings to anyone celebrating this month! We hope you have a fantastic day with well wishes for many more!!!!
