# Town of Reidville Monthly Newsletter

July 2022

## CANADA DAY/ REIDVILLE DAY

The Town of Reidville would like to say a huge Thank You to everyone who attended the Canada Day/Reidville Day Celebration on July 1<sup>st</sup>!

Also a big thank you to everyone who helped out in any way, especially the members of council and 50+ members for bbqing/jigs dinner, the 50 + members for the bingo, Lorna Curtis—the bingo caller, the student employees who ran the games, Karen Moss who had her hand in everything, the residents who helped put up the tent and fencing, the fire department members who helped with numerous things, Ida Pinksen for her expertise and help in serving over a hundred plates of jigs dinner, Cliff and Irene Reid for organizing the washers tournament, Terri Janes for loaning us the sound system, Sean O'Brien for loaning us the bouncy castle...without you it would never be possible! It was a wonderful turnout which was enjoyed by all!!! Special thank you to The Town of Deer Lake, Foodland, Pizza Delight, Poppa Joes, Lawtons, Mary Browns, Kentucky, Wing n' it and Colemans for the donations that were a great help in the success of this event!

It would have been impossible to hold this big event without funding from the Government of Canada and the NL Department of Tourism, Culture, Arts and Recreation....thanks so much!!

## HORSE DROPPINGS

Horse droppings on the roads/shoulders of the road and on the walking trail have been noted on numerous occasions again. We have a lot of walkers in our town and this is becoming very discouraging! Please be more respectful and ensure that you clean up after you animals!

## COMPOST BIN

The town now has a community composter available for residents. The raw materials side is for your food wastes, once broken down it will be transferred to the compost side for residents to use. It is located near the fire hall on Community Square Extension.

## CONCERNS

It has been brought to our attention that there are pieces of wire sticking out of the water at Rocky Brook (just down stream from the swimming hole). It looks as if it was washed downstream at some point. We will be trying to remove the pieces that we see but there may be more that is under the water so please be cautious.

We have had complaints about fireworks. Although we do not have regulations, we are asking people to let the office know if you are putting off fireworks outside of events such as Canada Day/New Years Eve so we can post it on our facebook page as a courtesy to people with sensory issues and animal owners. Thanks!

**PAVING!!**

The paving of Reidville Road is coming along really well. Please be cautious and have patience while the men are working.

We would also like to remind everyone that the speed limit is 50km/hr. Due to the road being so nice to drive on we have had many complaints of speeding.

**STAT HOLIDAY**

The office will be closed on August 1st in observance of the Civic Holiday. Sorry for any inconvenience this may cause.

**50+ /RECREATION NEWS**

**Zumba:** For July and August, this program will continue most Tuesday nights. Please follow Cheyanne's facebook group "Zumba with Cheyanne!" for class dates and times.

**STUDENT EMPLOYMENT**

The 50+ Club has acquired a student to help seniors who are in need of any light yard work, outside painting/staining, general maintenance, etc. Please contact the town office to register.

**ROAMING DOGS**

There have been reports of people allowing their dogs to roam. Please note this is against our by-laws...dogs must be tethered or penned. We are asking residents to call the RCMP if they have concerns about a roaming dog. The animal control officer has been keeping an eye but these animals run back home as soon as he gets near them. He cannot go on people's property to collect a dog without direction from the RCMP.

**GREETINGS!!!**

The town of Reidville council and staff would like to send out Birthday and Anniversary greetings to anyone celebrating this month!!!! We hope you have a fantastic day with well wishes for many more!!
