**WALKING TRAIL HUNTING SEASON**

A resident was recently walking the trail and noticed that someone had scorched numerous birch trees in an area along the river. This is not only a fire danger but against the law. We will be keeping a close eye on this and if it continues it will be reported to the Department of Forestry.

Hunting Season is upon us. Here are a few safety tips: If you like to walk in the woods, Go hiking or berry picking be sure to check on local hunting season dates. During hunting season it's important to be visible in the woods. There's no better way to be visible than by wearing bright orange - the color worn by almost all hunters. The best form of preparation is in the clothing you wear and the places you choose to go. **BE SAFE!!!!**
